

ABC GRUP MADENCİLİK LOJİSTİK SAN. VE TIC. LTD. ŞTİ.

ABOUT US

ABC Group provides fast, reliable, and high-quality logistics services through its own offices and strong partnerships in key hubs. With an in-depth understanding of Turkey's geopolitical position, ABC Group Logistics has structured its operations in the country's main trade regions, including Marmara, Aegean, Mediterranean, and Black Sea.

We aim to deliver services that not only meet but exceed customer expectations. By continuously investing in technology and training, we ensure that our employees maintain the highest level of knowledge, skills, and efficiency. This allows us to provide quality services under competitive conditions, supporting the growth and competitiveness of our clients.

OUR APPROACH

OUR VISION

Operating in the fields of logistics, construction, and mining, ABC Group is committed to sustainable growth and long-term partnerships. Our vision is to create value for our clients, employees, and stakeholders while strengthening our position as a reliable and responsible company both in Türkiye and internationally.

OUR SERVICES

- **Logistics**

ABC Group conducts international trade operations by providing one-way vehicle dispatch services for DHL e-commerce in the regions where commercial activities are most concentrated.

- **Duty Free & Ship Store**

Since 1996, our company had been operating in the Duty Free Shop business and left the sector in 2007.

With our Duty Free Shop project at Mersin Ceyport Taşucu Port, whose construction started in 2023, we have resumed our activities in this field. Currently, we have a Duty Free store at Mersin Ceyport Taşucu Port, where the construction and decoration have been completed. We are the only store in the area serving both arrivals and departures. As of January 2026, we have received our customs approval, and as of April, our store has officially started sales operations.

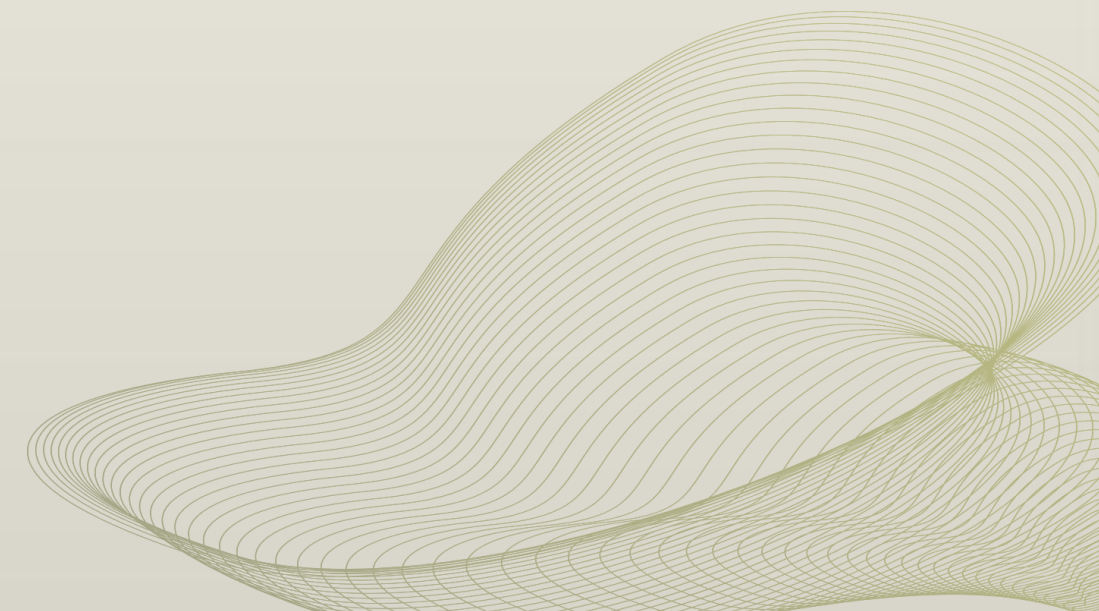

- **International Expansion**

In 2023, we established ABC Group Investment d.o.o. in Montenegro. After acquiring an office, we expanded our presence in the international market by launching construction operations in 2025.

- **Mining Activities**

We operate chromium mining activities in Pülümür, Tunceli, and are also conducting copper and gold exploration projects in Tokat.
